### Your entry to China's heart of the automotive and metalworking region

With the successful re-start in Shanghai 2014, a really vivid and again grown event in 2016, CCMT impressively showed its good reputation throughout China and Far East. And the international support for CCMT 2018 will grow even further: Some 500 foreign exhibitors from more than 20 countries are expected.

As officially appointed agent for Germany and German-based exhibitors at CCMT and CIMT, IMAG will be glad to support your marketing activities in China accordingly! Organized by CMTBA – the China Machine Tool and Tool Builders' Association – CCMT became one of China's biggest machine tool and metal-working exhibitions.
