Your entry to China’s heart of the automotive and metalworking region

Meanwhile the CCMT has been established as the second most important event for the whole metalworking, machine tools and tools industry in China and one of the most important events for the related industry through-out the Far-East and Sough-East Asia region. Since it’s move back to Shanghai (hold two times 2010 and 2012 in Nanjing) it grewed rapidly and reaches now the format of the CIMT in Beijing.

As officially appointed agent for Germany and German-based exhibitors at CCMT and CIMT, IMAG will be glad to support your marketing activities in China accordingly! Organized by CMTBA – the China Machine Tool and Tool Builders’ Association – CCMT and CIMT are fixed on the time-tables of all related technicians, buyers, developers in China and the East-Asian region. CCMT as the Shanghai-edition of CIMT is the place to be in even years!

The 11th CCMT in 2020 will be staged again at the Shanghai New International Expo Centre SNIEC in Pudong. This time again with more space in regular halls: In 13 halls (a plus of 3 halls compared to the last show in 2018) a total gross area of some 140,000 sqm will be available.
